NORTHWOODS CHAPTER  
SAFARI CLUB INTERNATIONAL

**2023**

**Sponsorship Opportunities**

*The mission of the Northwoods Chapter of Safari Club International is to bring awareness of the importance of the hunter to the Northwoods in our role as Conservationists, Educators, and Humanitarians.*

**Northwoods Chapter of Safari Club International**

235 Soderena Rd.

Crystal Falls, MI 49920

## *Have you wondered what the money raised from our fundraising events is used for?*

◊ We send Upper Peninsula teachers to SCIF's American Wilderness Leadership School (AWLS) in Jackson Hole, WY. Teachers receive instruction in hunting activities and learn the critical role hunting plays in wildlife management. Teachers who attend also receive instructional materials from SCI to use in their classrooms in U.P. schools and are certified to teach in the National Archery in the Schools Program.

Radio-collared fawn — Predator-Prey Project

◊ Northwoods Chapter financially assists with wildlife management programs in Michigan. Most notable among these has been **moose reintroduction**, research and management, **black bear research**, the **U.P. predator-prey research** project, and the **deer winter range project** with the U.P. Habitat Workgroup.

◊ We conduct and support a variety of youth hunting activities. We have supported collection of bio-data from deer collected by young hunters, by offering gift bags to young hunters who present deer for check during deer season. Also, we have been directly involved with youth deer and waterfowl hunts.

◊ Northwoods Chapter promotes shooting sports: ~We have conducted Fun Shoots that are open to the public and offer shooting instruction to youth. ~In 2011 and 2012 we provided financial support for a new long-distance rifle competition held in the Upper Peninsula. ~In cooperation with other conservation groups we have promoted and brought the National Archery In The Schools Program (NASP) to many U.P. school districts.

◊ We have given financial support to the Becoming an Outdoor Woman Program (BOW) in the U.P. Women are exposed to and receive instruction in many outdoor activities including fishing (fly fishing, ice fishing, boating/casting), and shooting sports (handgun, rifle, shotgun, muzzleloader, archery).

◊ The Northwoods Chapter has participated in the Sportsmen Against Hunger Program.

◊ We participate in forums and sponsor television programs which promote wise use of natural resources, and education on the values of the scientific approach to wildlife management.

◊ We support special hunts and recognition for men and women who have served our country in the armed forces. In 2019 we sponsored Roy Hinkson and in 2020, James Potter, to hunt at Two Hats Ranch near Big Rapids, with funds from the Jim Dabb Memorial Veteran's Hunt.

Hinkson

Potter

Gavlek

Huffman

◊ The Northwoods Chapter has funded many humanitarian projects. Examples are our Special Youth from 2019, Joseph Gavlek, and from 2020, Charles Huffman. Both hunted at the Two Hats Ranch through our annual sponsorship of the Ron Hulce Memorial Youth Hunt.

◊ We've also funded "wish hunts" or "hunt of a lifetime" experiences for outdoorsmen and women, both youth and adults, who are faced with fatal conditions or diseases.

◊ We support other humanitarian efforts:

A few examples: ~We donate financially to Lakeshore Quest Ministries, who provide hunting clothing and equipment for Veterans and special needs youth for hunts. ~We've donated funds for a hunter walking trail in memory of Curtis Grondin. ~And donated for an Action Track Standing Chair for Jeff Bowman,.

◊ The Northwoods Chapter owns a Sensory Safari trailer.

This display of mounted game animals from North America and Africa is an educational tool that promotes the critical role of hunting in wildlife conservation. The trailer has been displayed at the UP State Fair, fundraisers, schools, National Trappers Convention, and Bay Cliff Health Camp in Big Bay, Michigan.

◊ Thirty percent (30%) of fundraising net proceeds is sent to SCI National. SCI is America's premier advocate for our freedom to hunt. SCI staff are involved in Washington, DC on Capitol Hill and in litigation nationally and internationally. SCI is a recognized world leader in conservation of wildlife and wildlife management.

◊ Most of the proceeds from fundraising events are used locally. Projects noted above, preparations for next year's event and other local conservation projects are funded from fundraisers.

**We are seeking sponsors to help us with our mission** by becoming a Platinum, Gold, or Silver Level Sponsor for our Annual Fundraising Banquet, scheduled for **Saturday, April 22, 2023** at the Island Resort & Casino, Harris, Michigan.

Please consider one of the cash sponsorship levels listed below:
